Honorable Sir:

This Information Disclosure Statement is submitted in compliance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98.

Record is attached of published art for consideration during prosecution of the above-identified patent application. No representation is made or intended that a search has been made or, if made, was complete, or that no more pertinent art than that listed is available. It is expected that the Patent and Trademark Office will conduct an independent search for relevant prior art.

Where specifically indicated, an equivalent English language patent or publication is attached in lieu of the translation.

Unless otherwise indicated, a full-text copy of each cited reference is attached. An English language version of the International Search Report is also supplied to provide a concise explanation of the relevance of any references not in the English language.

In accordance with the Patent and Trademark Office Notice of August 15, 1980, also enclosed is a completed Form PTO-A820 (Form PTO-1449).

Respectfully submitted,
